Thank you for your support!

The Lincoln Heritage Pheasants Forever Chapter which includes Coles and Cumberland counties has been recognized by Pheasants and Quail Forever of Illinois as "Chapter of the Year". Formed over 16 years ago we are dedicated to the conservation of pheasants, quail, and other wildlife through habitat improvements, public awareness, education and land management policies and programs. A fundraising banquet each year allows us to sponsor several youth events including educational displays that teach youth about habitat projects and agricultural management that benefits all wildlife. We provide free monthly youth clay target and wing

shooting clinics at the Charleston Sportsman's Club promoting safe handling, respect and proper use of firearms by qualified instructors. A free annual youth pheasant hunt is provided which focuses on safety and the proper way to hunt and harvest game. We work closely with Farm Bill Biologists and partners on multiple habitat projects in the East Central Illinois area and attend State and District meetings every year and support State and National Pheasants Forever Programs including the Illinois PF/OF Fund, Illinois Chapter Challenge, Legislative Action Fund, and No Child Left Indoors. We volunteered this year at multiple Adult Learn to Hunt events in the area and assisted participants with shooting instruction and provided a pheasant hunt where many participants harvested and cleaned their first game birds ever.

Since its formation Lincoln Heritage Pheasants Forever Chapter has compiled the following accomplishments with funds raised here and spent locally. We've invested \$60,000 in planting equipment which assisted with over 500 habitat projects involving 8,000 acres and have planted over 3,000 trees. Total money spent on Coles/Cumberland county habitat projects has been \$112,284. We have spent \$49,708 on educating 1700 youth at various events. At the National level, 6 members have received "Dedication Awards" and 2 members have received "Long Spur Awards" for their continuing service to the organization. The Chapter would like to thank all of our volunteers and sponsors who have been instrumental in helping us achieve our success.

We would like to introduce the Lincoln Heritage Pheasants Forever YOUNG GUNS. The YOUNG GUNS is a competitive trap, skeet and sporting clays team. The YOUNG GUNS will compete in the Scholastic Clay Target Program of the Scholastic Shooting Sports Foundation and is open to students fourth grade through college. If interested or for information please contact Team Board President Larry Himes at 217-259-5030 or Coaches Scott Gossett 217-232-9361, Matt Homann 217-246-3250.
