PHEASANTS FOREVER SPONSORS MAHASKA COUNTY CHAPTER

January 1, 2020

Soon, a Mahaska County Pheasants Forever committee member will contact you to enlist your assistance again with our 32nd Annual Fundraising Banquet on April 4, 2020. Through your past support, we have been able to carry out many worthwhile projects. In the 30 years just past, Mahaska County Pheasants Forever has invested \$1,079,672.00 for conservation, including the local projects below:

- ❖
- ❖ 788 food plot projects for 6,332 acres
- ❖ 509 nesting cover projects for 5773 acres
- ❖ 136 controlled burn projects for 4,426 acres
- ❖ 10 wetland projects on 474 acres
- ❖ 377 woody cover projects for 719 acres and 146,118 trees
- ❖ 14 land acquisition projects for 4,919 acres
- ❖ Sponsored the Pella and Pella Christian High School Shooting Team
- ❖ Mahaska County Pheasants Forever has reached over 15,000 youth in its youth programs
- ❖ Helped sponsor the annual Youth Outdoor Field Day, attended by over 225 kids
- ❖ Invested \$284,448.00 into youth education and public awareness
- ❖ Purchased over \$87,613.00 of habitat equipment
- ❖ Contributed \$1,000.00 to the Legislative Action Fund

Our plans for the upcoming year:

- ❖ Fight to protect CRP in the Farm Bill
- ❖ Continue our commitment to Conservation Education in Mahaska County
- ❖ \$15,000 Commitment to local wildlife areas within Mahaska County
- ❖ Sponsor local boys to attend DNR Outdoor Skills Camp
- ❖ Cost-sharing cover on CRP, WRP & wetland restoration projects
- ❖ Expanded private lands programs such as food plots, nesting cover, and mid- contract management
- ❖ Add more to local land acquisitions

Thank you for your past generous donations that have helped us raise the funds we needed for these projects over the past 31 years. Please consider donating again.
This year, as in the past, we truly appreciate your consideration and your support.
