

Woody Island Pronghorn Migration Fence Modification Workshop.

June 17th and 18th at the Louie Petrie Ranch North of Turner Montana.

This area hosts one of the most critical pronghorn migration connectivity corridors in the state. Learn about pronghorn migration and win-win solutions for wildlife and livestock producers in this area. Participate in making lasting improvements to pronghorn migration through fence modifications.

Thursday June 17th

- 10:00 AM: Arrive on site
- 10-10:30 AM: Pronghorn migration and research
- 10:30-11:00 AM: Project funding and overview (NRCS, Pheasants Forever, RSA, USFWS)
- 11-11:30 AM: Landowner Perspective from Louie Petrie Ranch
- 11:30-12:00 PM Fence modification demonstration
- 12-1:00 PM Lunch (Provided by BCCD and First Bank of MT)
- 1:00-5:00 PM Assist with planned fence modifications
- 5:00 - 6:00 PM Social hour with beverages
- 6:00 PM BBQ dinner (Provided by Louie Petrie Ranch)

**Camping is provided for those wanting to volunteer to assist with more fence modifications on June 18th. Please join us even if it is only for the a couple hours, a day, or the entire two day event.*

Friday June 18th

- 7-8:00 AM Breakfast
- 8-12:00 PM Assist with planned fence modifications
- 12- 1:00 PM Lunch (Provided by Ducks Unlimited)
- 1-undetermined Assist with planned fence modifications

**For individuals planning to volunteer with fence modifications– plan on coming to work outside in variable conditions. It is a good idea to have good footwear and gloves and a positive attitude!*
