— This is our only fundraising activity, and all of the proceeds stay right here in Shiawassee County!

Over the last year, we have planted 1,200 acres of nesting cover grasses and food plots. In addition we have given away 1750 trees and 200 bushes. Total money spent habitat for 2018 was \$27,000. Help us continue improving our habitat legacy. We had 45 youths attend our hunt in 2018, thanks Woodland Acres. This year we sent 2 United States Marines Iraqi War Veterans on a world class hunt to the 2 HATS RANCH in Big Rapids, MI. Thank goes out to Anthony Best and Heartland Hunting Consultants!
